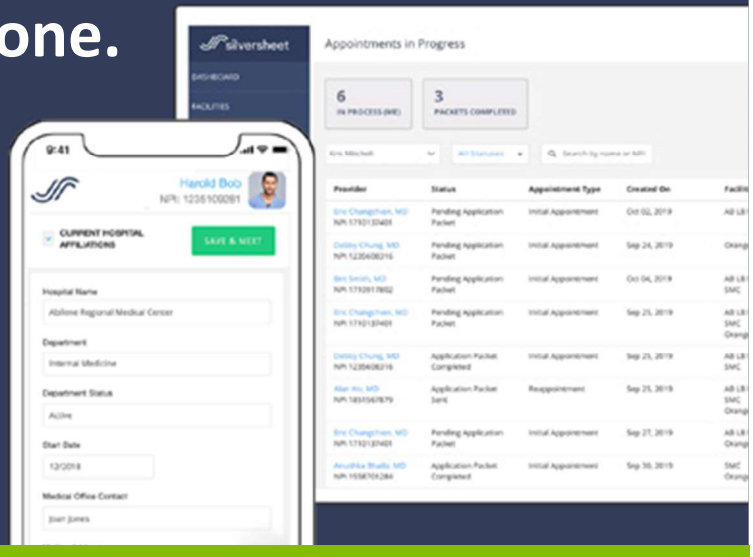
silversheet AMN Healthcare

Enterprise credentialing. Done.

Standardize. Centralize. Optimize.

Rapidly deploy Silversheet to credential, privilege and manage data. Supports:

- ✓Medical Staff Office
- ✓Health System CVO
- ✓Delegating health plans
- ✓Data warehouse



Synchronize

Real time updates of provider data to all facilities.

Always On

Never miss another red flag with automated reminders and alerts.

Improve Visibility

Dashboards display appointment status from application to approval.

Adopt Digital

Less stress, time and effort to complete appointments.

Audit Ready

Applications, forms and documents meet all accreditation requirements.

Share Data

Share provider information with other departments and systems.

“I recommend Silversheet because it saves time and allows for greater flexibility around credentialing tasks.”

Claudia Santos
Scheduling Supervisor and Credentialing Coordinator
