

With more than 47 years of experience in the healthcare industry, Donna Goestenkers, CPMSM®, EMSP, is the recognized leader in the medical staff services field. She founded Team Med Global in 2007 and has grown the company to more than two dozen team members who deliver stellar consulting, education, and staffing services in the fields of medical staff services, payer enrollment, and training.

Goestenkers' passion for education spurred her to design TMG University and its renowned Executive MSP and Executive Payer Enrollment Professionals programs, which deliver world-class professional development to medical services professionals around the country. She has developed and delivered the webinar series, "Doctor FBI," "Unstoppable!," "Payer Enrollment Prime," "Leadership Catalyst," and "Career Rocket," among others. As a sought-after keynote speaker, panel facilitator, and presenter, Goestenkers inspires audiences to aim higher and achieve more.

Through Team Med Global's consultancy, Goestenkers works closely with healthcare organizations to grasp both the big picture and the nuances of the organization's needs. She listens carefully, acts respectfully, and decisively engineers creative solutions designed to be compliant, efficient, and operationally sound. The result? Actionable information that solves organizations' thorniest challenges.

Goestenkers also oversaw the development of ProVISIONary Staffing, Team Med Global's staffing service. Clients include hospitals (academic, urban, community, and critical access), credentials verification organizations, payer enrollment departments, health plans, managed care organizations, and physician practice management offices.

In addition, Goestenkers is co-author of "The Executive Medical Services Professional" and "The Medical Services Professional Career Guidebook" published by CRC Press. She is a past president of NAMSS.
