

ABOUT DR. GREENLAND

Dr. Katherine Greenland is a strategic communications consultant with over 20 years experience as an educator, team builder and adviser. She helps leaders take responsibility for being understood with her keynote addresses on millennial mindset, work-life integration, courageous conversations and collaborative leadership. Dr. Greenland is founder of Greenland Consulting, a firm whose mission is to develop resilient leaders for a world in transition. Her work blends the tools of doing business for good with leadership coaching to help clients transform their visionary ideas into profitable ventures that benefit their communities. Drawing on her international work experience, Katherine coaches leaders to reach their goals for social justice, engaged citizenship and community resilience. A former college professor of sociology, Katherine now dedicates herself fulltime to coaching and public speaking. Katherine lives in the Pacific Northwest with her husband, two children; and their dog, Rock N' Roll.
